

Morella

THE ART OF PRESENTATION

Mid-Century, modern design

Introducing the Steelite Distinction Morella tableware collection, a refined fusion of historical inspiration and contemporary design, drawn from the medieval town of Morella in Valencia. This luxurious range features embossed patterns that evoke natural textures, with mid-rim plates enhanced by a striking spiral effect that adds depth and elegance to each piece. The collection also includes distinguished banqueting items and a tall, bold teapot that captures the essence of mid-century design. Each piece reflects exceptional craftsmanship, seamlessly blending classic beauty with modern sophistication, making the Morella collection perfect for elevating any dining experience.
